Hi all,

Well to start with, it is the beginning of a new riding season yeah!!!!!!!

First things first, we found out at our gathering last Sat, that we need a new place for our Gatherings! The Works will no longer be there Billy is closing the doors. Sorry to hear that. So after the gathering we were talking about a place to go, and came up with this, at lease I thought we should try it. We are going to move our time to a lunch time that will be at 1:00 P.M. in the afternoon and meet at the Sizzler in Longview, WA the address is 936 Ocean Beach Hwy. We will try this and see if it works. This will start at the April Gathering, due to all of the staff being gone, we have classes to go to, and there will not be a Gathering in March. Our classes that we will be at are open to all members so if you would like to come let us know. They would like as many members to come as possible.

We need to be thinking and talking about what all we want to do this season. I know that times are hard and with the economy the way it is, we need to pick and choose, the ones that are near and dear to our hearts. I know that we all can not make all of the Rally's. We need to support all of the Chapters and our friends as much as we can. So think about it and let's do some riding.

I would like to inform you all, that Sam Haluopo's father passed away on Jan 31<sup>st</sup> 2010 the funeral was on the 12<sup>th</sup> of Feb. Sam is in Hawaii for the month with his family and friends so they could have a service for his Dad there. We wish Sam all the best.

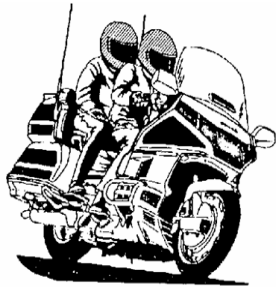

I would like you all to know, that when we get info to pass along to you all, we get it to you as soon as we can. Sometimes this is at the last minute, due to things changing we are truly sorry, but we do our best.

Reggie and I took the bike out last Sunday and went to Gee Creek where Chapter-X was having there coffee stop, they seamed to be doing well, things were running smoothly. While we were having a cup of coffee we got to talking with some bikers, that were passing through that is always fun and we made it home before the rain came.

We have to say" congrats" to Ray & Bonnie, for they won the 50/50 at casino night, and Scott & Cindy win a new set of tires, way to go Chapter-P!!!. If you couldn't be there, there is always next year.

I don't know about you, but for us, the winter retreat went Greatttt!!! I know that I had a blast and can't wait till we do that again! If you weren't there you missed out. Would you all like to do this again? Let us know. I think this covers all that we have done lately.

# FROM YOUR STAFF

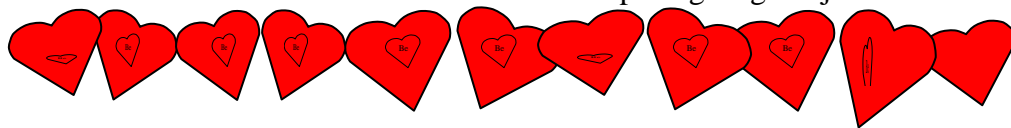

So we have some things coming up, we need all of your help and support, please. The Three Rivers Mall Show is Feb. 26<sup>th</sup> - 28<sup>th</sup> we hope you will come and be part of this.

In March we have our coffee stop at Gee Creek March 8<sup>th</sup> - 12. This is our week long one and Reggie will have a sign-up sheet for the shifts, at the Mall show, please help if you can.

I would like to take this time to tell all of the members who have stepped up and made this Chapter run so smooth THANK YOU. For all of the work done behind the scenes and the help we get "great job" Let's have fun and ride safe.

Assistant Director

Can you believe this weather? It has been so nice that I have been out for short rides several times this winter. The other day I rode up to Seattle with a friend on the back of my bike so he could buy his first Goldwing. It is a 1998 SE, in very nice shape. We then rode back home. By the time we got home it was starting to cool down but was bearable. Hopefully I will be able to talk him into joining us for our meetings and rides.

So, what did the ones of you, how went to the beach retreat think about our stay at the beach last month? Marilyn and I both enjoyed it and would do it again, if it gets planned. I have always loved the coast, in fact we thought about buying a beach home in the Long Beach area but at the last moment decided against it.

I was in contact with Brian the other day and he was talking about some rides we could plan. One of them was a coffee run to Canada. I thought that this would be a great idea, as I have never been to Canada and that would be a nice warm weather ride. Hopefully we can get this planned also. I do have a passport so all I have to do is see if it is still valid. I might have to get it renewed.

If any of you have any suggestions for rides, either short or long ones, let me know.
